Training and Organizational Development Center

The Montgomery County Government Office of Human Resources (OHR) Training and Organizational Development Division offices have moved to a new **Training and Organizational Development Center** (TODC). In addition to office changes, the Center includes a **Computer Lab** and a large **Training Room** to be used for the Center for Continuous Learning (CCL) and OHR Training Classes.

Telephone Number: 240-777-5116

We recommend parking at the **COB Parking Garage** located at the corner for East Jefferson and Monroe Streets. OHR provides free parking vouchers for the COB Parking Garage at each class for those attending training.

- To get to the TODC exit the COB Parking Garage, walk along Monroe Street past the EOB Building to where East Montgomery Avenue (aka Courthouse Square) dead-ends at Monroe Street;
- Cross Monroe Street, go up the stairs (or take the outdoor elevator next to the stairway). From the plaza, the building entrance is on the left;
- Once inside, enter the first door on your right (we share the entrance with HHS – Public Health Licensure and Regulatory Offices). Go through the entry to Room 102, and enter the TODC.
- Paid parking is available for \$12 per day in the TODC building located at 255 Rockville Pike. We are sorry, but **we will not have parking vouchers** if you decide to park in this garage. Check with your supervisor to find out if the fee can be reimbursed by the department/organization.
